

Congress venue, travel and accomodation

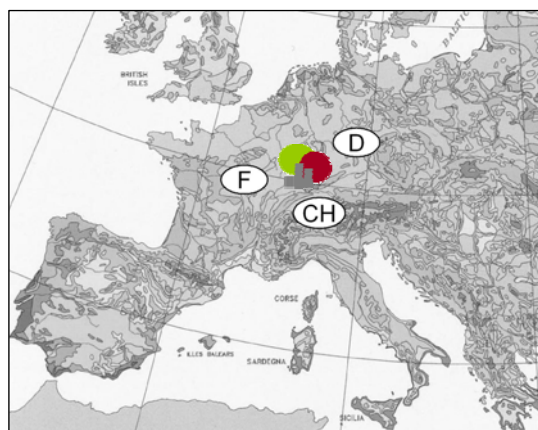

The **6th International Anthracology Meeting** will take place in the Freiburg region, Southwest-Germany, in the heart of Western Central Europe in close vicinity of France and Switzerland. Below we will try to give you some useful information for planning your participation at anthraco2015 .

We try to do our best, but we cannot give any guarantees for timing, schedules, services, prices etc. Please note, all travel and accomodation requirements have to be organized by the participants themselves!

Visa

Since visa requirements vary from country to country, we request that each participant check this with his or her local consulate in regard to whether a visa is required or not.

Travel to Freiburg

• By car (cf. Map2)

- from Northern direction (via Frankfurt and Karlsruhe) via A5/E35 and exit 61 (Freiburg-Nord) and B294/B3 or via exit 62 (Freiburg-Mitte) and B31a
- from Southern direction (via Basel or Mulhouse) via A5/E35 and exit 63 (Freiburg-Süd) and B31
- from eastern direction (via Lake Constance and Black Forest) via B31

Map2 Travel to Freiburg by car. Highways (A5/E35), national (B) and regional routes.

Travel in Freiburg - Local and regional transportation to congress venue

• Public transportation (cf. Map3)

There are 4 tram lines in Freiburg (Lines 1,2,3,5). All lines cross the central station “Bertoldsbrunnen”. The conference venue at the Faculty of Biology is reached via line 2 (direction of Zähringen, station “Hauptstrasse”).

For finding your connections check:

• Biking

The easiest and fastest way to get around in Freiburg is actually via bicycle. If you come via coach you might consider bringing your own bike or you can rent one either via your hotel or at: Radstation (from 45 € for 5 days), right at the train station (website in German only: <http://www.freiburgbikes.de/>)

There may be also the option via the “Deutsche Bahn”:
